INCREASING DISASTERS, INCREASING RESILIENCE

Located in Southeast Asia between the Pacific and Indian Oceans, Indonesia has beautiful beaches, diverse cultures and the world's fourth largest population. Many of the country's more than 17,000 islands are in the Ring of Fire, where volcanic eruptions and earthquakes are common. Climate-related disasters such as cyclones are also becoming more frequent and destructive. Find out how—with the support of Catholic Relief Services and generous communities like yours—Evita and her disaster preparedness group are working to keep their community safe. Knight of the Month

Nathan Mitchell became a Knight in 2006 with the Council, St. John Neuman # 11828 while living in Steubenville, Ohio. They were a very involved Council in the community and honored many of the older traditions at that time.

Nathan has held the offices of Inside and Outside Guard, as well as Warden. Once our council gets into the 21st century, we will ask Nathan to assist with our Social Media Platform.

Nathan is a 4th Degree Knight. These are Knights who belong to an assembly of men who remind us of our duty to God and Country. The 4th Degree Assembly is part of the Honor Guard and Color Corps at the funerals of Veterans. Patriotism is the 4th principle of the Knights of Columbus the first three are Charity, Unity and Fraternity.

Nathan and his family are members of St. Joseph the Worker, where you can see the family participate in all liturgical aspects of the mass. They do come south once in a while and attend Sacred Heart, so if you see him, a big thank you would be in order.

If you are considering becoming a Knight, scan the QR code. When are asked which Council, the zip code or Parish will help designate your placement. If you are visiting Sacred Heart or St. Joseph's, and would like to join the Council at your home Parish, this QR code will work too.
